(30th Jan – 04th Feb, 2023)

Evaluation Instructions for Participants

All team members are advised to read the complete instructions thoroughly.

General Instructions

- 1) Each team would comprise of up to maximum of four members including the team leader. All team members should be from the same Institute. ✓
- 2) Teams may have one faculty mentor from their parent institute. ✓
- 3) Team members CANNOT be associated with more than one team. Any such attempt will lead to disqualification of the teams. ✓
- 4) Student teams will not be allowed to add or delete any new participants in the team after the registration for the Hackathon has been stopped. ✗ *Handwritten: Hina/Aditi*
- 5) Team to select most appropriate theme as per their problem statement(s). No change in theme would be entertained after commencement of the Hackathon.
- 6) Teams will be encouraged to think out-of-the-box and provide creative solutions. ✓
- 7) Eligibility criteria and details of each team will be checked by the registration teams before allotment of a Team ID. ✓
- 8) Team IDs will be mailed to the Team Leader of the project before 30th Jan, 2023. All further correspondence will be referred using this Team ID.
- 9) All team members should be available during each evaluation. ✓
- 10) Team members should be ready with their Zoom and Google Meet platforms for online evaluation. ✓
- 11) The Hackathon shall be held online from 30th Jan to 31st Jan and physically at Sharda University for shortlisted teams from 03rd to 04th Feb 2023. Students will not be allowed to leave the Hackathon venue between 03rd Jan 1000h and 04th Jan 1700h. All meals and shared area for rest shall be provided. Students are expected to work on their projects for the entire duration including the night.

"Greater Noida"

Evaluation

- 12) The evaluation will be conducted by panel of Judges and the judgment will be solely based on the evaluation rubrics.
- 13) Evaluation criteria will include novelty of idea, complexity, clarity and details in prescribed format, feasibility, practicability, sustainability, scale of impact, user experience, potential for future work progression etc.
- 14) It is strongly recommended that the teams must focus on submission of quality solutions with well thought approach to stated problem(s).
- 15) The Idea PPT for a team, to be presented in the first evaluation will be in a 5-slide format as under: -
 - a. The first slide will include – Team number, Name of team, Name of team Leader, names of team members, Institution Name/Affiliation and Name of mentor.
 - b. The second and third slide will include – Problem Statement, Description of your Idea, your Solution / Prototype and Description of the Technology used.
 - c. The fourth slide will include – Description of Your Use Cases/Applicability.
 - d. Any other information related to the proposed solution.
- 16) For each progressive assessment, each team will demonstrate the progress in their project work along with their PPT presentation.
- 17) It is mandatory for all the participants to be formally dressed and keep their cameras ON throughout their evaluation. Suitable action may be taken by the evaluation teams in case the teams do not connect properly or found using unfair means / help from persons not part of the team.
- 18) Only the registered team members will be allowed to interact with the panel of judges.
- 19) The mentors may attend the evaluation, but the presentation shall be done by the participants only which shall be recorded.
- 20) All participants including mentor should have their valid Institutional ID card/ Bonafede letter displayed during the process of evaluation.
- 21) The time of evaluation shall be from **11:00 a.m. to 04:00 p.m.** on each day of online evaluation. The final timings shall be informed through email on a daily basis.
